Earlier this year I requested letters of interest from qualified persons wishing to be appointed to serve as Parkville Municipal Judge for the remainder of a vacated term (approximately one-year). The response to this request has been substantial; therefore, I am closing my request this Friday, February 1st at 5:00pm. At that time, I will begin the process of selecting a nominee to fill the remaining one-year term, and will ask our Board of Alderman to ratify my appointment on Tuesday, February 19th, 2013.

Please see the Parkville Municipal Court page (www.parkvillemo.gov › Departments › Municipal Court) for my original call for interested parties and additional information.
