1. A pre-submittal meeting before the deadline date with City Staff is recommended and may be required in order to ensure the application is complete when submitted. Incomplete applications will not be placed on the Planning & Zoning Commission agenda.
2. The Planning & Zoning Commission may elect to adopt an alternative regular meeting date, and may call special meetings on an as needed basis.
3. For rezoning, planned development, and conditional use permit applications requiring a public hearing, this schedule has been determined to allow adequate time for filing a protest petition per RSMo 89.060.
