

Purchase a Commemorative Brick The Robert Fluchel Memorial Butterfly Garden

Come enjoy a refreshing stroll through this picturesque garden for monarch butterflies and other pollinators, located at the north end of the Parkville Nature Sanctuary parking lot. The butterfly garden was established in 2017 to honor the memories of the former beloved Nature Sanctuary Director, Bob Fluchel.

The Garden features a botanical collection of over twenty different native plant species, hundreds of individual plants, and a chipped trail through the garden. The edging is composed of commemorative bricks from donors to the Sanctuary.

The Friends of Parkville Nature Sanctuary is selling the bricks again this summer. Phase Two of this fundraising project will be June 1 – August 31. Your purchase of a 4” x 8” Commemorative Brick is a special way to honor family and friends and the Parkville Nature Sanctuary at the same time.

Each commemorative brick is \$100.00 for one line, 22 spaces, or \$125.00 for two to three lines, 44 - 66 spaces. ***The form below is good for \$10.00 off of a brick order mailed by July 31.***

Orders will be accepted until August 31. Orders mailed by July 31 will be \$10.00 off the listed price.

Complete the order form and return it, along with a check, cash or money order to:

Friends of Parkville Nature Sanctuary, P.O. Box 12103, Parkville, MO 64152

Please accept my tax-deductible donation of \$_____

Name _____

Address _____

City _____ State _____ Zip Code _____
