

PARKVILLE NATURE SANCTUARY

YOUTH TRAIL CREW

June 18 – 20, 2018

Too old for Nature Camp but still want to spend some time at the Parkville Nature Sanctuary this summer?

Maybe you are ready to give back.

Lend us a hand by volunteering to maintain our hiking trails.

Consider the following:

Make new friends.

Have a reason to get out of bed.

Work three mornings from 9:00 am – Noon.

Earn service hours for the 2018-19 school year.

Hear random hikers say ‘Thank you’ as they admire your work.

Develop life skills with shovels, rakes, pitchforks, and wheelbarrows.

We are looking to form a 20 person Trail Crew.

Workers will be entering Middle School or High School in the fall of 2018.

Must be available all three days.
