To the extent permitted by applicable state and federal laws and regulations, the City reserves the right to reject any and all Bids, to waive any and all informalities, and to disregard all nonconforming, nonresponsive, or conditional Bids, to re-advertise for Bids, and to negotiate with the lowest responsive, responsible bidder. Also, the City reserves the right to reject the Bid of any Bidder if the City believes that it would not be in the best interest of the Project to make an award to that Bidder, whether because the Bid is not responsive or the Bidder is unqualified or of doubtful financial ability, or has a record of poor performance with the City, other municipalities, or other clients or fails to meet any other pertinent standard or criteria established by the intent of the Bidding Documents.

The City reserves the right to apply a local preference in awarding the contract. The City of Parkville Purchasing Policy (as adopted by Resolution No. 10-20-14) states the City's intention to purchase from local suppliers, within reason, as it selects the best and most reasonably priced source for each transaction. The local residence of a supplier may be a factor considered in selecting among bidders on a purchase. It is the determination of the Governing Body that, in certain instances, choosing a local supplier serves the valid public purpose of supporting local businesses that, among other attributes, pay taxes to the City.
